BRISBANE BIDS FOR ANNEXATION TO DC

San Bruno To Fight DC Dump Proposal

New opposition to Daly City's proposal to establish a fill and cover dump in Pedro Valley appeared Wednesday night when San Bruno councilmen went on record as against the plan.

Decision to "actively oppose" Daly City Scavenger company's application to the county planning commission followed agreement by San Bruno to join South San Francisco in its plan to fill 80 acres of bayshore land for ultimate use as a $1,000,000 yacht harbor park.

Reason given for contending the Pedro Valley operation was that the "smell and smoke will drift over the mountains to San Bruno."

Scavenger President Al Sereni, when informed of San Bruno's decision by THE RECORD, reasserted his promise that there will be no smoke or odor in the fill and cover operation.

"I don't see why they should interfere," he declared.

Cost of establishing and running the South San Francisco project will be divided between the companies which enter the plan. Thus expense to South City and San Bruno will be higher if Daly City does not enter the operation.

Plans for the fill and cover garbage dump to the northeast of Linda Mar were presented Tuesday night to members of the San Mateo county planning commission by Daly City Scavenger company and city officials.

As a result of the informal meeting, planning commissioners agreed to accompany Sereni on a tour of the proposed site the following day.

Set September 19

Daly City's permit is scheduled to appear on the planning commission agenda September 19. Application was filed Wednesday.

On Wednesday Sereni also met with about 50 persons from Linda Mar and directors of the homeowners association. Following showing of a film on a successful fill and cover operation in Burbank, the president answered questions from the audience.

He particularly emphasized that the proposed operation would not involve collection of Linda Mar garbage, as suggested by one of the spectators.

Public meeting on the proposal within the next two weeks was agreed to by directors. Definite time has not yet been established.

List Objections

Several objections to the site were raised Tuesday by Gerald Schemacher, 915 Serena drive, Linda Mar, who represented the homeowners association at the meeting.

First factor cited by Schemacher was that the Bernardi ranch, where the dump operation is planned, is the "only way for Linda Mar to expand." The North Coastsider also predicted that the area would be incorporated within a few years.

This expansion statement was later answered by W. J. O'Connell, engineering consultant to the scavengers, who declared that the land "is not a reasonable area for residential development."

Daly City councilmen did intimate during the meeting, however, that the fill and cover site might eventually be developed into a recreation area.

High Cost?

Second statement made by Schemacher was that the cost of initiating the Pedro Valley operation would be large. Main objection to the South San Francisco proposal to reclaim bay land for a recreation site is the cost factor.

Mayor Joseph J. Verducci countered the Linda Maran's argument of high cost with the statement that "no one even knows the cost of the South City plan."

Earlier O'Connell had told the meeting that diking the South San Francisco project would run to about $100,000. Added to this would be the cost of importing cover as there is "no possibility" of using blue mud which is found in the peninsula bay area, he said.

San Pedro Creek

Schemacher next cited the "seepage and drainage" problem, saying "I can't see how you can stop water from draining into San Pedro creek."

This too was answered by O'Connell, who grew up in the Pedro Valley area. "I would not be a party to a proposal damaging San Pedro creek," the engineer insisted.

"Social aspect" of the proposed dump was the last objection brought forth by Schemacher, who declared people would say to Linda Marans, "Oh, you live down by the Daly City dump."

Mayor Verducci took the stand on this factor by reminding the group of the film they had viewed earlier in the meeting. The movie showed homes valued up to $40,000 adjacent to the Burbank city fill and cover operation.

Homeowners, Council To Investigate Next Tuesday

Ired by being "pushed around" by the county, Brisbane homeowners will confer with the council Tuesday night to investigate annexation of the bayside community of 5000 persons to Daly City.

Four representatives of Brisbane Homeowners, Inc., will meet with the council, City Attorney Frank Blum and City Manager Howard Stites next Tuesday at the Copperwood Lodge, THE RECORD learned.

Representing Brisbane will be Howard Fifield, president; Laura M. Johnson, secretary; Mrs. Josephine Vidaver, trustee; and Nate Cohn, the association's attorney.

The Brisbane group first made overtures for annexation in a letter last week from Mrs. Johnson to the city manager, headed "Brisbane Annexation Plan." No details of the annexation were discussed in the letter, however.

Stites replied in a letter to the secretary that, "If you're interested in becoming a part of Daly City, you can expect only fair treatment from the council." He suggested that the meeting be held between the two groups.

Mrs. Johnson told THE RECORD that, "We can't get anywhere with the county supervisors. We want to be annexed, even if it's by Los Angeles."

In order to carry out the Brisbane annexation, the nearby community of Bayshore City would also have to be taken in, it is believed.

One city source said that while thousands of dollars of liabilities in the form of road repairs, drainage, etc., would be inherited by a Brisbane annexation, the tremendous costs would be more than offset if the hundreds of acres of adjacent undeveloped property could be zoned for commercial and major industry attracted there. Rail facilities could be extended to serve the area.

Mrs. Johnson was also scheduled to appear last night as her group's representative at a meeting of the North County Council of Cities.

Finance Post Would Reduce City Clerk Job

Ordinance which would create the position of director of finance and reduce many of the functions of the city clerk will be presented to the city council Monday night.

The ordinance was considered by Councilman Micheal De Bernardi and Mayor Joseph Verducci Wednesday night in study session.

The finance director's office would be a "continuation of" the office of city controller now held by Jerome Scharfman.

There would be no increase in salary, except for the one-step raise already given Scharfman for the coming year, boosting his pay from $530 to $556 a month.

While the new position would not conflict with duties of the city treasurer, according to City Man-

Judges Double Drunk Drive Bail Figures

Drunk driving bail requirements will be doubled beginning Wednesday, it was announced this week by four county municipal court judges. The move is being initiated to assist law enforcement agencies in reducing the serious increase in drunk driving arrests and convictions in the county.

A first offender will be required to post $500 bail, while second and habitual offenders will be made to provide proportionately higher bail, a press release states.

The new scale was established by Judges Thomas L. Bocci, J. A. Branson, Edward Ryan and Edward McAuliffe.

According to a joint statement by the judges, the number of offenders has increased approximately 20 per cent during the past year despite the persistent efforts of law enforcement agencies.

Court Hearing For Rape Suspect Continued

Preliminary hearing for William Whiddon was continued in municipal court Tuesday until August 23. Whiddon, 39, South San Francisco window washer, last week entered a plea of not guilty to a statutory rape charge.

He is accused of statutory rape of a 13-year-old girl on a lonely road in the Crocker hills on July 23. Police said the girl admitted to having intimacies with Whiddon on several previous occasions.

NO PROTESTS IN PASSAGE OF $1,828,354 JEFF HI BUDGET

Jefferson Union High school district 1956-57 budget, which with bond interest and redemption rate will mean a 61-cent tax hike to district homeowners, was approved Monday night by the board of trustees.

Not a single person appeared at Monday's public hearing to protest passage of the $1,828,354 budget, increase of $454,588 over last year.

Passage of the general budget means a tax rate of $1.447 per $100 assessed valuation. Coupled with the bond interest and redemption rate of 48.5 cents, total rate to be paid by district homeowners will be $1.932 per $100 assessed valuation.

Superintendent Edward Morgan, in explaining the budget increase, cited the "tremendous growth" of the district.

He declared that enrollment has risen 17.8 per cent this past year and 97.7 per cent in the past five years.

In line with the enrollment upswing cited by Morgan, largest rise in the current expense of education portion of the budget is seen in certificated salaries of instruction. A total of $577,700 is budgeted, rise of $170,926 over last year. The hike is necessary to pay 24 additional teachers for Westmoor High school, the superintendent declared.

Second big increase is under capital outlay, with $784,632 budgeted this year, primarily for work at Westmoor. The 1955-56 figure was a mere $56,542.

Verdict Due Monday In Donati Case

Superior Judge Aylett R. Cotton is scheduled to render a verdict Monday on bookmaking and conspiracy charges against Dino Donati, 36-year-old Daly City pin ball machine distributor.

Donati, arrested in May and accused of being the "brains" behind a $1000 a day bookmaking operation in Daly City, agreed Monday to let Judge Cotton decide his innocence or guilt on the basis of information contained in transcript of the municipal court preliminary hearing.

Judge Cotton continued the matter to next Monday for verdict.

Donati, 19 Castlemont, turned himself into police the day after a raid at 1171 Brunswick street, where Mrs. Marie Hammel, crippled housewife, was allegedly taking bets for Donati.

Mrs. Hammel named Donati as her employer at the municipal court hearing.

Earlier Donati's attorney, James MacInnis, had sought to have charges against Donati dismissed.

Fire Chief's Pleas Win Back Volunteers' $4000

Arguing that a reduction in volunteer firemen would seriously impair the fire department's manpower, Fire Chief Elmer Kennedy gained tentative approval from the council Wednesday to restore $4000 to the volunteers budget.

Kennedy's original request for $8000 to pay salaries and meeting expenses of volunteer firemen had been lopped to $4000 in earlier council budget sessions.

The two councilmen present for the study session, Mayor Joseph Verducci and Micheal DeBernardi, finally agreed that the volunteers budget would remain the same this year, but that no more paid-on-call men would be added as some dropped out.

City Manager Howard Stites opposed Kennedy's request down to the final few minutes of the hour-long debate, but finally conceded that "I've no objections to letting it ride this year, providing we don't add any more volunteers or fill positions of those that quit." He held that the volunteer force should be gradually cut down as the city increased its number of full-time firemen.

4 for 1

Stites' original argument had been that one regular fireman is equivalent to four volunteers, and since five more firemen had been added this year, the volunteers

Citizens Group Starts Traffic Signals Campaign

A division of highways official told 100 citizens gathered at Westlake clubhouse Monday that signalization of two dangerous intersections on Alemany boulevard in Westlake was presently under study, but that similar installations on Skyline boulevard were definitely not warranted at this time.

Jerry O'Shea, district traffic engineer representing the state division of highways, addressed about 100 persons at the special meeting. Among those in attendance were city, county and state officials and members of church, civic and educational groups in the community.

The citizens group seeks immediate installation of signals on Alemany boulevard at the Sheffield-South Mayfair and Dorchester-

Judge Backs D. A. In Demurrer To Ex-Cop's Libel Suit

District Attorney Keith Sorenson's demurrer to a $125,000 libel suit filed against him by David Johnstone, former Daly City police inspector, was upheld this week by Superior Judge Murray Draper.

Johnstone was given 10 days in which to file a new complaint, but Sorenson predicted that the former police officer would be unable to get around the court's ruling.

Johnstone alleged in his suit that he had been injured because of a letter Sorenson wrote to Daly City Police Chief Roland Petrocchi in which he associated Johnstone's name with that of Dino Donati, who faces a charge of bookmaking.

Sorenson's demurrer contended that the letter was privileged as a communication between law enforcement officers and was outside the laws of libel. Judge Draper upheld this stand.

Griffith Bound Over To Superior Court

Harold Griffith, 43, 179-A Hillcrest drive, was held to answer to superior court yesterday on a charge of committing "lewd acts" against his nine-year-old daughter. Charges of statutory rape and incest were dismissed by Judge Thomas L. Bocci because of lack of sufficient evidence.

Bail was set at $1000 cash or $2000 bond.

The judge cleared the courtroom because of the sordid nature of the case. Witnesses called to testify included the daughter, a housekeeper employed by Griffith, a doctor who examined the youngster, Police Lieutenant Roy Beecher and Mrs. Ann Banchi, mother of the alleged victim.

Mrs. Banchi, who is remarried and living in Los Angeles, has asked custody of her daughter and two other children. All three are now being cared for by county juvenile authorities.

Griffith was arrested last week after the girl's aunt contacted police. According to Lieutenant Beecher, Griffith neither denied nor confirmed the charges while undergoing questioning. He rather complained that he had been in an explosion several years ago and suffers severe headaches and memory lapses as a result.

Delay Heart Surgery On Bonnie Steele

Delicate operation which may save the life of four-year-old Bonnie Lynn Steele has been postponed until Monday. Surgery by Dr. Walton C. Lillehei, famed heart specialist, was originally scheduled at the Minnesota Heart hospital last Friday.

According to Bonnie's father, David Steele of 171 East Vista street, the operation was delayed when it was found that his daughter's heart was pumping blood at too fast a rate.

Bonnie suffers from a ventricular septal defect of the heart, victims of which normallly live only to their sixth or eighth year.

The child was born with an opening in the septum, the thick muscular wall dividing the two ventricles or lower chambers of the heart. Because of this opening, the blood flows back and forth between the ventricles and its course out of the heart through the arteries is considerably slowed.

Eventually the blood of the victim begins to run in reverse. No operation has yet been devised which can save the sufferer's life after this stage has been reached.

OUTLINE CAMPAIGN FOR REGISTERING DALY CITY VOTERS

An extensive publicity program to promote voter registration for the November general election was outlined by the city council in study session Wednesday night.

Among suggestions for gaining voter registration were use of the billboard at the community center, Boy Scouts door-to-door campaign, notations in the city water bills and use of stickers on city vehicles.

The council tentatively decided to allocate $100 of the $350 special advertising budget for the cause.

Rec Chief Job Salary Upped $100

Discouraged by the lack of qualified candidates, the city council voted in study session Wednesday night to raise the salary for position of recreation director nearly $100 a month.

Under the present salary range of $395 to $481 the city has been unable to attract any qualified applicants during the past four months since the former director resigned.

Salary range recommended by the council was $481 to $556. Proposal to increase the salary and readvertise the job was one of several recommendations submitted to the council Wednesday by the recreation commission.

Other propositions tentatively approved by the council included: construction of stairway in Westlake park near Cliffside; and installation of permanent bulk at Frankfort park.

Employees Gain Review Of Stand Against Pay Hike

Through an attorney, the Daly City Civil Service Employees association have appealed to the city council to review their stand against any wage increases for 1956-57. As a result, the council will confer again with the personnel board to discuss the proposal.

In a letter to councilmen received Wednesday night, H. Ward Dawson pointed out that since the personnel board had made its original recommendation against pay hikes, many North Peninsula cities had voted raises.

He also noted that when the personnel board was making its recommendation, the series of strikes that brought new pay hikes to industry and the trades had not yet come about.

Dawson urged that the council pass "at least" a one-step increase, and held that a two-step raise "would not be excessive."

Councilman Micheal De Bernardi questioned why the employees had to retain an attorney to handle their negotiations. City Manager Howard Stites observed that, "They probably feel he can plead their case better."

City May Be Liable For Myrtle Tract Water Lines

After holding out several months, the city may finally have to install water mains for the 40-home Myrtle tract in southern Daly City, the city attorney said Wednesday night at a council session.

Up to now the subdivider, A. L. Kreuzberger, has refused to bear the $6800 cost of the water installation, maintaining that he has a letter from the city informing him the city will provide water "on demand."

The city has held its position just as stubbornly, declaring that it is the duty of the subdivider to provide the mains. However, Blum pointed out that in previous test cases of this type the city was ordered to provide the water installations, "if they don't have a subdivision agreement in advance."

Manager Surprised

City Manager Howard Stites appeared surprised at Blum's opinion and told him, "I'd check it further if I were you. You've left out part of it."

Blum said the city must provide water if the following conditions exist: that it is not "economically unfeasible," that there are sufficient people to warrant the service; and that the distance is not too great.

The big question, the attorney pointed out, is whether providing the water mains for the Myrtle tract will be "economically unfeasible." He said this was for Stites and the engineering department to determine.

"It would take us 20 years to receive enough income from water there to pay for that," Stites declared, asking, "Is that economically feasible?"

Assessment District

Mayor Joseph Verducci suggested that if the condition were found to be economically unfeasible, an assessment district could be formed to pay for the water services.

Stites argued that once the city paid for the mains, "You're going to have to pay for all of them unless you do something to correct this situation by ordinance."

Blum said most cases, such as Henry Doelger's Westlake development, were covered by the subdivision ordinance.

Stites agreed to meet with Blum this week and come up with a recommendation for action at Monday's regular council session.

GOOD SAMARITAN HEROINE ADDS MODERN ANGLE

New twist to the tale of the "Good Samaritan" was told local police Wednesday by Mrs. Ruth Cottle, 142 East Vista street.

Opening scene is the Red Barrel tavern, 139 Ellis street, San Francisco. It is here about 11 p.m. Tuesday night that heroine Mrs. Cottle becomes engaged in conversation with a young man.

"I have no home and wish I had a nice place to live," the youth laments.

Mrs. Cottle, being a kind-hearted person, offers the young man room and board at her home.

"If it's okay with my husband," she quickly adds.

Enters an 18-year-old girl (obviously a friend of the young man) who joins Mrs. Cottle and the youth.

Following short time lapse the trio exit.

Next scene finds all three at Mrs. Cottle's residence, where the local woman proceeds to show the youth the accommodations available.

Exit the young man and the girl.

A few minutes later Mrs. Cottle finds $30 missing from her purse (on chair in living room).

Closing scene finds the heroine telling her story to Daly City police. They fill out a crime report.

Denmark ceded the Virgin Islands to the United States by a treaty signed August 4, 1916, at a purchase price of $25,000,000.

Citizens Group Starts Traffic Signals Campaign

(Continued from Page 1)

Eastgate intersections. Also sought are signals at Westmoor and Westridge on Skyline boulevard.

O'Shea explained to the group that justification for signals is based on national accepted standards, which call for a minimum number of vehicles per hour, minimum number vehicles entering and leaving the intersections, combined vehicle-pedestrian traffic, and other factors.

"Not Too Distant"

When asked by Starr Dunham, president of Westlake Improvement association, whether the signals could be expected on Alemany in "the not too distant future," O'Shea replied, "That's right."

The Skyline signals, however, would create more of accident hazard than now exists, according to O'Shea. Daly City police chief Roland Petrocchi agreed with him on this point.

Hartley Appleton, attorney for the improvement association, charged that, "I don't think we should have to spill blood to recognize the problem." He pointed out that the following factors would be considered by the state in acting on the signal request: (1) traffic movement through the intersection, (2) pedestrian traffic, (3) incidents of accidents, (4) results signals will have on the present flow of traffic, and (5) possibility of synchronizing the new signals with the present traffic pattern.

According to Appleton, obtaining of the signals, "seems to be a game of who can assert the most pressure. If Linda Mar got them, I don't see how the state can say we're not eligible."

He qualified his remarks by stating, "We won't be a pressure group unless we have to."

"No Pressure, Blood"

O'Shea, however, denied Appleton's contention that it took "pressure" to get the signals and that "blood would have to be spilled."

"The justification for signals is based on nationally accepted warrants," the highway official said. "If there is a need for signals here under just one of the five established warrants, we'll do something."

Housewife Mrs. Thomas Daly, speaking for the Westlake Catholic Women, appealed to all present "not to wait until something tragic has happened to do something."

O'Shea again reiterated, "It won't be necessary to do any arm twisting. We're not taking this lightly. But these signals will be very expensive, (from $85,000 to $90,000). We're at a little difficulty to decide just what to put in."

Tempers flared when Edward Murphy, director of the improvement group, told O'Shea, "We appreciate your attitude and concern for the dollar, but that's not what we're directed at. We're not going to wait for the warrants."

"Didn't Say That"

"I didn't say that," retorted O'Shea.

O'Shea declared that he felt signals on Skyline would result in more accidents, but that the signals were being considered for Alemany.

O'Shea promised the group that, "We'll convey our conclusions to the proper authorities as soon as the study is finished. But I doubt if any pressure would expedite this."

He estimated the state would have some answers for the Westlake group in "about a month."

"Follow Through"

Assemblyman Richard Dolwig of the 26th district urged the citizens to, "Run your own traffic surveys. You'll have to follow this thing right up through the proper channels. Nobody has investigated the on important thing—to what extent are your warrants deficient."

Arrest Tug Boat Captain On Dog Leash Violation

A 35-year-old tug boat captain was arrested at his home Wednesday on a charge of violating the city dog leash law.

Released on $20 cash bail and scheduled to appear in municipal court Tuesday is Franklin S. Sears, 169 East Vista avenue. Arrest of Sears marks the second such action since enactment of the ordinance last year.

Listed as complainants against Sears are Mr. and Mrs. Arnold Melton, 157 East Vista avenue.

According to Poundmaster Charles Maschinot, the tug boat captain allows his white mongrel dog to run the streets without a leash, particularly when the poundmaster is off duty. The dog chases cars on the steep East Vista hill, and has caused many near-accidents, Maschinot declared.

Sears was cited into City Attorney Frank Blum's office five months ago and given a warning.

Finance Post Would Reduce City Clerk Job

(Continued from Page 1)

ager Howard Stites, it would take away many of the duties of the clerk.

Lists Duties

The finance director would be the head of the city's finance department and would have the power to: administer financial affairs; assist in preparation of the budget and its administration; maintain and operate a general accounting system; audit and approve all bills, invoices and payrolls; submit a monthly statement to the city manager; supervise maintenance of inventory records; perform all financial and accounting duties heretofore imposed upon the city clerk, and relieve the city clerk of such duties.

Stites said the new position would help reconcile the files of the clerk's and treasurer's office, which in the past have varied because of differences in methods.

In other action at Wednesday's study session, the council:

1. Gave tentative approval to the city treasurer's proposal for depositing some city funds in First Western bank.

Sales Tax Opposition

2. Received two letters in opposition to the city sales tax.

3. Heard that cost of installing curbs and sidewalk on East Vista between Mission and Hillside would cost $739.

4. Received letter from Joseph Mazzafferi complaining of cleaning plant "nuisance" on Dixon court.

5. Discussed location of Yellow Cab stand on Hillside boulevard just off Mission in front of the new Spotlite Market.

6. Received request from August "Gus" Sebastiani for dance permit at Central Club, 6282 Mission street.

7. Discussed resolution which would allow Bank of America to accept payment on Daly City water bills.

8. Ordered resolution drafted which would change the pay of the deputy tax collector, Mrs. Evelyn Mosman, from $100 to $50 and eliminate payment to her of $50 as deputy assessor.

DC Fortune Teller Fails To Forefell Own Dark Future

Foretelling her own future might have proved worthwhile to Dina John of Daly City Friday afternoon.

Mrs. John alias Laura Davis, 38, of 25 88th street, might have seen Police Lieutenant Roy Beecher and Sergeant Dave Hansen waiting outside her residence.

She also might have recognized the customer who had just paid three dollars to have her fortune told as Police Matron Josephine Runne.

Unfortunately, Mrs. John prophesized Mrs. Runne's future instead of her own. Immediately thereafter, the two police officers gained entrance, seized the three marked dollar bills paid by Mrs. Runne and escorted the Serbian gypsy woman off to jail.

She was booked on a charge of violating a city ordinance prohibiting fortune telling and later released on $100 bail. Court date is scheduled for Tuesday.

City Budget Hearing Scheduled August 22

Public hearing on the 1956-57 city budget will be held August 22, the council decided Wednesday night in study session.

The $1,229,414 budget was scheduled for consideration and adoption next Monday, but councilmen decided to first hold a public hearing.

The council received information this week from City Clerk Evelyn Mosman that assessed valuation, not including public utilities, has hit $27,555,525, an increase of more than $2,000,000 over last year's figure of $25,489,205. This amounts to an increase of

Fire Chief's Pleas Win Back Volunteers' $4000

(Continued from Page 1)

could easily be reduced from 40 to 20.

Kennedy argued, however, that, "I don't think we've reached the stage where we can afford to lose these men."

The fire chief also denied Stites' claim that he scheduled the calls for the volunteers so that all the money budgeted was paid to them each year, whether the fires warranted it or not.

Pointing out that Kennedy's department had received the largest budget increase of any in the city, Stites at one point told the chief, "You're like my son. You want to have your cake and eat it too."

Cut Down Gradually

After the two councilmen declared they did not want to cut the volunteers in half at this time, Kennedy assured the council that he was in favor of cutting down the part-time firemen as new regulars were hired.

This was a "good solution," according to De Bernardi.

Councilmen also considered another request from Kennedy that the number of holidays "lost" each year by the paid firemen be equalized. As it now stands, he said, one man may lose five holidays, while another may not lose any.

Stites said he had no objection to Kennedy working out an equitable schedule, "if the men go for it."

Eaves Flashing Guards Roof Deck When Gutters Dam

If you are about to reroof your house, be sure to have an eaves flashing strip installed.

Flashing is the best insurance against leakage at the eaves, one of the most likely trouble spots of a roof. Trouble there is more likely to occur in winter than any other season. The gutters dam up with ice. Then a thaw arrives, melting snow on the roof. This run-off, unable to enter the ice-dammed gutters, backs up the roof. It may seep underneath the shingles, and if there is no flashing to withstand it, it may seep through to the inside of the house.

Sometimes it takes weeks till the home-owner recognizes something is amiss. Then he sees the unmistakable clues—plaster may crack, paint bubble, wallpaper stain and an electric circuit short.

Proper application of asphalt shingles requires that a flashing strip be installed. The flashing is made of asphalt roll roofing. Laid along the eaves under the shingles, it runs upward from the eaves at least a foot inside the inner edge of the wall.

As an added safeguard, many roofers install a metal drip edge along the eaves and rakes. Four inches wide, made of rust-proof metal, it is bent down over the edge, preventing water from entering the end of the roof deck.

LOFTY MOTIVES, LOUSY METHODS

It is disgusting to see in government an official who attempts to achieve his ends by table-thumping oratory and threats against any and all who do not succumb to his wishes.

Such was the case Monday night when a state division of highways official appeared before the Westlake Improvement association and other civic, church and educational groups to outline prospects of securing traffic signals at two reportedly dangerous intersections in Daly City.

One orator, a director of the Westlake Improvement association, when told by the state official that the signals proposal would be studied, sputtered loudly, "We don't need any warrants. We're going to get these signals."

He then went on to explain his form of coercion, which was to contact a San Francisco newspaper, place paid advertisements in it urging the signals, and then wait for "an editorial blasting this."

We imagine the newspaper would be shocked to learn that its editorial policy can be purchased for a song...at least that's what this director would have his constituents think.

But the people who should really be concerned are those who are represented by this man and the representatives of the church, civic and educational groups working for the traffic signals.

It is highly improbable that any of these groups wish to be a party to methods that border on coercion, no matter how intense their interests in seeing the signals installed at the intersections.

The word "pressure" was bandied around loosely at the signals meeting.

If pressure means a lot of leg work, personal contact, submitting of petitions urging the signals and the like, then it is commendable.

But if pressure means that "arms are going to be bent," in a political tug-of-war, the civic, church and educational groups backing the signals might do well to re-examine their allies.

HOPEFULLY VIEWING the proposed fill and cover dump site to the northeast of Linda Mar are (left to right): Jack Eberle, Daly City Scavenger company secretary-treasurer, and Al Sereni, president. The Scavengers have already signed a 30-year lease for use of the Bernardi ranch property in the hopes that the site will be approved by the county planning commission. Alarm with which Linda Marans greeted the proposal when it was announced a week ago is still evident, although Sereni said today that he hopes to overcome objections through a program of "fair-dealing" and "accurate presentation of fill and cover facts." Public meeting at which time North Coastsiders can question the Scavengers on the plan is proposed in the near future. RECORD photo

FINDINGS ON RR ABANDONMENT DUE THIS WEEK

Findings on Superior Judge Louis Dematteis recent ruling against the Ocean Shore Railway will be submitted late this week or early next week, according to Frank Blum, city attorney.

The findings will be filed on behalf of the City of Daly City, Henry Doelger and the archbishop of the Roman Catholic church, all parties in the action to have the railway's right of way through Westlake declared abandoned. Judge Dematteis, in a ruling earlier this year, stated that the right of way had been abandoned "by the acts and conduct of the railway since 1921, when the last train was operated."

Findings submitted by the three parties will elaborate on the judge's ruling to determine if complete ownership of the land is now held by these parties.

The Ocean Shore will have five days in which to object to the findings, after which the judge will decide which of the findings is correct.

Should the city's findings be sustained, the Ocean Shore can then motion for new trial and if thwarted on this action, can appeal the case to the higher court.

It is expected that the Ocean Shore will continue their court battle if Judge Dematteis holds with the three opposing parties findings, since litigation on the Ocean Shore right of way dates back more than two decades.

Sewer Line Costs Row Still Unsettled

The long-standing row over apportioning cost on installation of a larger sewer line at Benjamin Franklin school was still unsettled Monday following meeting of the North San Mateo County Sanitation district.

The sanitation board held the matter over pending further study by Director Sanford Vickers and Engineer C. L. White.

In other action Monday, the sanitation board:

1. Turned down request for garbage disposal unit at Town & Country market to be used for disposal of produce trimmings and other wastes.

2. Accepted sewer maps of Westlake Unit 9 and maps showing sewer tie-in for Westlake Joe's and the Henry Doelger apartments on South Mayfair.

3. Held over discussion on installation of permanent sewage line near Benjamin Franklin school by Stoneson Co.

4. Decided to grant employees two weeks vacation after the first year of employment and one day of sick leave for each month of service.

Poultry Worker Pleads Not Guilty To Child Molesting Charge

Antonio Marquez, 27-year-old poultry worker charged with molesting a teen-age girl on Crocker avenue July 19, entered a plea of not guilty in municipal court this Thursday.

Jury trial was scheduled for September 18.

Marquez, 6207-B Mission street, was booked by police after a citizen's arrest.

PLANETARIUM OFFERS MAN ON MARS SHOW

George Bunton, manager of Morrison planetarium in Golden Gate park, reports more than 25,000 persons have already taken "trips to Mars" in the Planetarium's summer show "Man on Mars." The show, he announces, will continue through Labor Day, September 3.

Performances at the planetarium are given each Wednesday, Thursday and Friday at 2:15, 3:30 and 8:30 p.m. On Saturday and Sunday at 1, 2:15, 3:30 and 8:30 p.m. Tickets are 75 cents for adults; 40 cents for juniors (16 or under).

VILLAGE YOUNGSTERS SPLASH AT JEFF HI

Jefferson Union high school natatorium last Saturday was scene of a swimfest conducted for youngsters attending Garden Village's summer recreation program.

Recreational water activities plus the traditional swim events were featured during the two-hour session which began at mid-morning.

Featured were 25-yard free-style races for each age, races utilizing feet only, candle race, paddle board race, relays, wading race and other water events.

MENTAL COMPETENCY TEST ORDERED BY JUDGE FOR DC MAN

Cecil Eugene La Barr, 40-year-old nursery worker accused of molesting a 13-year-old girl, was certified to superior court for determination of mental competency yesterday by Judge Thomas L. Bocci of municipal court.

La Barr, 363 Rhine street, was arrested May 29 by local police after they staked out the girl's home. The nursery worker first sent the teenager several lewd letters, which were reported to police by the youngster's mother.

Tickets for the drawings are free and may be obtained from the ticket booth at Westlake shopping center, Ponsetta said.

Jeff Hi Enrollment Prediction Survey Due Next Monday

First presentation of the county-wide continuing survey on the Jefferson Union High school district will be made Monday at a regular board of trustees meeting. The report will be explained by Dr. Maynard Bemis of Stanford university.

Other items on Monday's agenda, as announced today by Superintendent Edward Morgan, include the following:

1. Request by K. G. Poulos, owner of the Sharp Park Heather farm, that he be allowed continued use of Sharp Park school site land until such time as construction begins.

2. Cost estimate on grading the Westmoor High school physical education area by Theo. G. Meyer and Sons.

3. Continued study on Westmoor site development cost estimate recently presented by Architect Mario Ciampi.

4. Report by the superintendent on results of a meeting with Ciampi and a state school planning committee representative.

5. Report by Morgan on San Mateo county redistricting.

DC WOMAN DROPS GRAND THEFT CHARGE AGAINST NEPHEW

Grand theft charge against Victor Hungerford, 35, of Washington, was dismissed Tuesday after Mrs. Lillian Hungerford withdrew her complaint against her nephew-by-marriage.

Mrs. Hungerford, 63, of 59 Miriam street, told police last month that her nephew stole and pawned two rings, valued at $1500, from her home.

Although an all-points bulletin was issued for his capture, Hungerford escaped arrest.

Something For Everyone

By The Staff of the Daly City Public Library

By the Staff of the Daly City Public Library

Every home has problems like removing coffee stains, stopping leaky faucets, cleaning silver and a host of other chores. Helpful books at the Daly City Public Library offer practical solutions to the many household problems that arise every day.

One of the most comprehensive of the homemaker guides is the recently published GOOD HOUSEKEEPING'S GUIDE TO SUCCESSFUL HOMEMAKING. This large-size manual, compiled by the editors of Good Housekeeping magazine, covers every phase of homemaking, including such topics as home management, furnishing and decorating, cleaning and care of the house, spot and stain removal, home repairs, kitchen layout and laundering. The older GOOD HOUSEKEEPING HOUSEKEEPING BOOK is also a useful title.

MANAGEMENT IN THE HOME, by Lillian Gilbreth, applies the work simplification techniques of industry to housework.

HOW TO CLEAN EVERYTHING, by Alma Moore, describes how to clean just about every object and fabric found from basement to attic.

For those who are interested in making major changes in their living areas, the Library offers two excellent new books: HOW TO DOUBLE THE LIVING SPACE IN YOUR HOME, by the editors of the Family Handyman magazine, and REMODELING GUIDE FOR HOME INTERIORS: PLANNING, MATERIALS, METHODS, by J. Ralph Dalzell, whose "how to do it" books are well known to many satisfied users. Another of Dalzell's useful books, recently acquired by the Library, is his SMPLIFIED MASONRY PLANNING AND BUILDING. An older, by still excellent, book is YOUR DREAM HOME, by Cobb.

Andrew C. Lang's FIX-IT YOURSELF covers nearly everything in the modern home, and E. W. Commery's and C. Eugene Stephenson's HOW TO DECORATE AND LIGHT YOUR HOME gives many practical suggestions on how to make your home more beautiful and more efficient.

For those who enjoy a home workshop, the Library has Mario Dal Fabbro's HOW TO MAKE BUILT-IN FURNITURE, and A. W. Marlow's FINE FURNITURE FOR THE AMATEUR CABINETMAKER. John Rodd's REPAIR AND RESTORATION OF FURNITURE gives all the necessary details on that popular subject.

For the sewing enthusiasts, there are Mary Brooks Picken's SEWING FOR EVERYONE and a new and comprehensive work, TEXTILE FABRICS AND THEIR SELECTION, by Isabel B. Wingate.

The kitchen, the most important room in the home, is well taken care of by such popular titles as the following new books: MARY MEADE'S KITCHEN COMPANION, by Ruth Ellen Church; THE GOOD HOUSEKEEPING COOK BOOK; THE NEW JOY OF COOKING, by Irma S. Rombauer; THE DIONE LUCAS MEAT AND POULTRY COOK BOOK, by Dione Lucas and Ann Roe Robbins; THE ESQUIRE COOK BOOK (for men, of course); ALLERGY COOKING, A GUIDE WITH MENUS AND RECIPES, by Marion L. Conrad; and a fascinating new volume, GIFTS FROM YOUR KITCHEN, by Carli Laklan. This last book includes beautiful wrapping ideas as well as recipes for fabulous gifts.

For these and other books on homemaking and all its aspects, call at the Daly City Public Library, 6351 Mission Street, or the Westlake-Broadmoor Branch Library, 34 Park Plaza Drive. Remember, your public library has something for everyone!

California has ranked first in the U. S. in value of farm crops in 21 of the past 26 years.

THE SPORTSMEN, top stars of stage, screen and television, will appear at the coming San Mateo County Fair and Floral Fiesta. Fiesta dates are August 8 through 11.

STUDY PETITIONS TO TAKE HOMES FROM COP DISTRICT

City Attorney Frank Blum met with district attorney Keith Sorenson Wednesday to go over petitions which would remove nearly 1000 homes in Westlake from the Broadmoor Police district tax rolls.

The homes, located in Westlake Units 7 and 8, have been on the police district rolls since construction and the owners pay an estimated $15 a year in taxes to the police district, from which they receive no services.

Blum said the Westlake Improvement association's drive to remove the property from the double taxation had resulted in gain of 1000 signatures on the petitions for withdrawal from the police district. This is well over the 50 per cent of registered voters needed, Blum said.

Blum said almost all of the petitions were in good shape, but would be checked over today with Sorenson.

Once the petitions are found to be valid, they will be submitted to the county board of supervisors, who have the power to remove the property from the police district.

DC Building Stays Up Despite July Carpenters Strike

Daly City building during July remained surprisingly high despite the carpenters strike, statistics released this week by the building department reveal. Seventy-one building permits were issued during the month for construction valued at $447,002.

July's total was higher than both May with $323,922 and January with $384,403. Building last month would have topped February except that permit for the $2,508,676 Westmoor High school was taken out at that time.

Permits for 43 new buildings, valued at $420,792, were taken out last month. Nineteen permits to alter dwellings totalled $18,010, two permits to alter commercial buildings amounted to $6150, and permits to build six signs valued $2050.

Total permits taken out this year have reached 495, while construction thus far is valued at $5,859,073.

EAGLES CORNER

By Dell Fehl

Coming down the home stretch with just two weeks remaining before picnic day, so we are reminding you again of August 26. We are planning a bigger, better than ever affair for both young and old.

Actually there has not been too much of a response for tickets, so we repeat, please call or write the secretary, PLaza 5-6968—3346 San Jose avenue.

Bring your relatives, friends or neighbors to this wonderful event. The more the merrier, and an advance indication of attendance would help us a lot.

The officers are seriously discussing the possibility of raising the Aerie home. Seems we are outgrowing our present site. Brothers, I for one, certainly would like to see all sorts of improvements.

Another big night for membership is slated for September 20 when we honor the police and fire departments of Daly City. Several awards will be made, dinner will be served and a class initiation will be featured. It would be nice for everyone to obtain a new member, so why not try now?

MOTOR VEHICLES DEPARTMENT TELLS RECENT ACTION

Three suspensions and two orders of probation were handed down to area drivers recently by the state motor vehicles department.

Trio who suffered license suspension are James William Coniff, 540 Esplanade drive, Sharp Park; Giles Benedict Kelly, 28 Westdale avenue, Daly City; and James Joseph O'Neil, 631 South Mayfair avenue, Daly City.

Mark James Grossbard, 120 Lynnewood drive, Daly City, and Robert Emmet Kelleher, 1056 Gilman drive, Colma, were both placed on probation. Grossbard's license also was suspended for six months.

Granted permanent reinstatement of license were Henry George Black, 1439 Flores drive, Linda Mar; Cesare John Caracciolo, 1174 Brunswick street, Daly City; Henry Evans, 199 Northgate avenue, Daly City, and Alan Richard McChesney, 194 Brighton road, Sharp Park.

LOUIS FRANCIS, (center) San Mateo County's new 25th District Assemblyman attends his first Assembly interim committee on public utilities and corporations in Los Angeles last week. Pictured with Assemblyman Francis at the committee meeting are Charles E. Chapel, Inglewood, chairman of the committee and Donald D. Doyle, Lafayette. The public hearing was held in the auditorium of the Police Administration Building in downtown Los Angeles to act on legislation which would place safety regulations of all trucks under one state agency. Currently, the Department of Motor Vehicles and the California Highway Patrol have jurisdiction over the trucks, depending on size and weight.

DIANE McKELVEY, 3½ years old, wants the kitten, the kitten wants the sucker and Fay Clark wants the kitten to have a new home. Fay, daughter of Mr. and Mrs. Herbert Clark, 10 Westridge avenue, was told to get rid of the kittens the Clark cat had, so she loaded them in her brother's wagon and printed up a sign reading "Please Open Your Heart And Give Us A Home!" The kittens were given to passersbys at the Westlake shopping center, free of charge.

Rabbi Stillpass To Join Temple Judea In Permanent Position

Temple Judea, 95 South Mayfair avenue, Daly City, today announced the appointment of Rabbi Leo Joseph Stillpass, who has accepted the position of permanent Rabbi of Temple Judea.

Rabbi Stillpass was formerly spiritual leader of Temple B'nai Israel in Galveston, Texas, for the past eight years. Prior to that time, he was the Rabbi at Temple Beth El, Knoxville, Tennessee. The Rabbi was ordained at Hebrew Union College in 1941.

Rabbi Stillpass is well known as the author of the "Reform Marriage Certificate" and as co-author of "The Passover Haggadah for Children." He was also the founder of the "Big Brother" movement in Galveston, and received a citation from the National Conference of Christians and Jews.

Rabbi Stillpass, his wife Bettie and their two children, Marty Joel, and Jan Cheryl will arrive in San Francisco on August 15. He will then officially occupy the pulpit at Temple Judea.

Rabbi Stillpass will officiate at the High Holyday services to be held at the War Memorial Community center, Mission street and Alp avenue, Daly City.

He will be available for consultation and guidance at his office at Temple Judea, 95 South Mayfair.

THE REVEREND J. Richard Friedline and his wife Mary recently began work at the Vista Grande Avenue Christian church here. The couple come to Daly City after four years in Purcell, Oklahoma, where both attended Phillips university. The Reverend Friedline replaces Dr. Howard Patrick McConnell, who retired from the active ministry on July 1.

Dottie Hansen Gains Teen Fans In Garden Village

Dottie Hansen, the teensters' television dreamgirl, gained another crop of followers when local youths organized into a Dottie Hansen Teen club and elected officers for the year.

The new group, established under the guidance of playground supervisors at Garden Village's summer recreation program, has already paved the way for securing a club charter from Miss Hansen. They meet Mondays, at 2:30 p.m. in the school.

At their recent election, the new club voted Pat Moran president, Maureen Moran vice-president, and Joyce Navarro, secretary-treasurer.

For their first effort, the girls gave playground officials a hand by serving as judges during the playground's recent doll festival.

The teen club is one of many activities offered youngsters at Garden Village school where the Jefferson Elementary school district, James L. Snell PTA and local home owners' associations have joined to put up a program of summer recreation.

The current program comes to a close August 23 with a windup party, arts and crafts exhibit and an amateur hour scheduled as special events.

Miss Hansen Wins $2000 Scholarship

Carol Anne Hansen has been named the 1956 winner of a $2000 college scholarship under the Johnson Foundation scholarship program for the sons and daughters of employees of S. C. Johnson & Sons, Inc., wax manufacturer.

Miss Hansen is the daughter of Mr. and Mrs. John D. Hansen of 1636 Sweetwood drive, Broadmoor. Hansen is an area manager in the Johnson's Wax San Francisco district sales office.

Applicants for the competitive scholarship were judged on the basis of scholastic achievement, leadership, moral character, general aptitude for college as measured by tests, and ability to meet the entrance requirements selected by the applicant. Miss Hansen plans to attend the University of California where she will study to become a physicist.

A graduate of Jefferson Union High school, Miss Hansen actively participated in numerous school activities and achieved a remarkably high scholastic record.

She was valedictorian of her class, president of the California Scholarship Federation, and president of the Girls Block Society. Other honors received during her high school career included the Daughters of the American Revolution good citizenship award, Bank of America Award for Liberal Arts field and a life membership in the California Scholarship Federation.

Episcopal Church Group Raises Funds With Square Dancing

Sponsored by the "Plan and Build Guild" of St. Martin's Episcopal church, square dancing is held every Friday evening at 8 p.m. at the Broadmoor community center, 714 White street, for an evening of fellowship and to raise funds for the new church which will be erected in Westlake. The group, who have named themselves "The Martinettes," have as their instructor Chick Burgess, well-known caller.

Members of the "Plan and Build Guild" include Mrs. Richard Phillips, chairman assisted by Mesdames U. R. Kendree, Frank Blum, Walter F. Michels, Merrill Barringer, and Carl Steigerwald. The group invite couples who are living in the area and interested in square dancing to attend. For more information about the group's activities, telephone Mrs. Richard Phillips at PL 5-9703.

VANDALS FREE ANIMALS, WRECK DALY CITY POUND

Six dogs and an undetermined number of cats were given their freedom by vandals who ransacked the Daly City pound in two weekend break-ins, according to Poundmaster Charles Maschinot.

The culprits, believed to be juveniles, entered the pound through broken windows. Maschinot said today that the windows have been broken for six months but that he has not been able to have them repaired because of lack of funds.

First entry, just revealed by the police department this week, occurred two weekends ago. Besides letting loose five dogs and numerous cats, the vandals stole dog food and pound records.

In their second entry last weekend the culprits turned one dog and some more cats loose and completely ransacked the building, Maschinot said.

The pound is located on a dirt road at the end of Thiers street.

Deadline Nears For Flower Show

Do you have a garden?

If you raise roses, dahlias, stock, snapdragrons, calla lillies, gladiolus, pansies, fuchsias, daisies or chrysanthemums in your garden, you are a potential competitor in the Daly City Garden club's third annual flower show September 9 at the community center.

Final entry date for the show is August 31. Schedules can be obtained by calling Mrs. C. M. Yohn at PL 5-5580.

San Francisco is the home of the 12th District Federal Reserve Bank.

NEWLYWEDS Mr. and Mrs. Russell Annecston (the former Rochelle Joseph) pose following recent rites at the House of Lawton. Before her wedding, the bride lived at 65 Lake Vista avenue with her mother, Mrs. Emma Joseph. Mr. Joseph is in Bombay, India, and will rejoin his family later in the year. The groom is the son of Mr. and Mrs. John Annecston of San Francisco. The young couple plan to make their home in Westlake.

Miss Joseph Recites Wedding Vows In SF

By Hannah Couff

In a double ring ceremony on Saturday evening, July 31, at the House of Lawton, Miss Rochelle Joseph of 65 Lake Vista avenue became the bride of Russell Annecston, with Rabbi Saul White officiating.

For the evening rites the lovely bride wore a lace nylon tulle bouffant gown with a fingertip veil. She carried orchids and white roses with a trail of orange blossoms.

Her attendants wore gowns of white dotted swiss nylon. Mrs. Stella Knoblock, the bride's sister, was matron of honor. Molly, Jeannette and Magdellan Joseph served as bridesmaids. Little Richard Knoblock, nephew of the bride, was the page boy.

Earle Annecston performed best man duties for his brother. Joseph Joseph, brother of the bride, gave her away.

The bride's mother, Mrs. Emma Joseph, wore a blue lace gown and the groom's mother, Mrs. Cyrene Annecston had on a lavender taffeta dress.

The bride is the daughter of Mrs. Emma Joseph of 65 Lake Vista avenue. Her father, Mr. A. Joseph, is at the present time in Bombay, India, and will be rejoining his family later in the year. The groom is the son of Mr. and Mrs. John Annecston of Lake street, San Francisco.

After spending their honeymoon in Sonoma county, the young couple will make their home in Westlake.

CARROL BATE IS WED TO WILLIAM WRIGHT

Miss Carrol Jane Bate became the bride of William Louis Wright in an afternoon wedding ceremony Saturday at Temple Methodist church in San Francisco.

The new Mrs. Wright, a Jefferson Union High school graduate, is the daughter of Mr. and Mrs. J. Raymond Bate of South San Francisco. She is secretary of her Jobs Daughters Bethel.

Her husband, son of Mrs. Hazel Wright of San Francisco, was graduated from Balboa High school. He was discharged from the army on June 5 after serving 18 months in Germany.

For her wedding, the bride chose a full length gown of white nylon tulle and lace. The extremely full skirt featured two lace panel inserts, and the bodice and jacket were also designed of lace.

Her veil was held by a lace crown decorated with seed pearls, and she carried a bouquet with four small white orchids in the center.

Mrs. Doralyn Cossitt was the matron of honor, while bridesmaids were the Misses Nancy Findlay and Patricia Coffee. The trio wore gowns fashioned of white nylon organza, Mrs. Cossitt's with a blue flowered pattern and the bridesmaids' with pink flowers. Their bandeaus were of pink and blue imitation flowers, and they carried round bouquets with long streamers.

Best man duties were undertaken by Daniel Casey, and ushers were Raymond Peterson and Leonard Cassitt.

The Reverend Lawrence Whitfield performed the ceremony.

Mother of the bride, Mrs. Bate, received guests at the Forest lodge reception in a blue lace dress with navy blue accessories. Mrs. Wright wore a beige lace dress which was complimented by pink accessories.

Leaving the reception, the bride donned a gray suit with pink and black accessories.

The couple are now spending a week's honeymoon at the Brookdale lodge in the Santa Cruz mountains after which they will take up residence in San Francisco.

ROTARY PRESIDENT ON CANADA JOURNEY

Bob Watson, president of Daly City Rotary club, will leave soon for a vacation-business trip to Quebec, Canada.

Prior to his departure, he announced the following Rotary programs scheduled for the next two weeks:

August 15—Howard Stites will serve as program chairman.

August 22—George P. Chaffey, newly-elected district governor of District 155, Rotary International, will be guest speaker. Chaffey is district superintendent of schools in Vallejo and a member and past president of Vallejo Rotary.

GEORGE CALEGARI, and James Goulden, general chairmen, and Joseph DiMaggio, are shown recently discussing plans for the "Top O' The Hill" Festival to be held by Our Lady of Perpetual Help Parish on September 21, 22 and 23 in the school auditorium. The affair is being dedicated to an observance of the Centennial celebration of San Mateo county.

Parishioners Gather To Map Gala OLPH Centennial Festival

More than 100 men and women met Saturday evening in the auditorium of Our Lady of Perpetual Help School to form committees, select chairmen and lay the preliminary plans for the huge three-day Top O' the Hill Centennial Festival September 21, 22 and 23.

The event will be dedicated to the celebration of the 100th birthday of San Mateo county.

James Goulden, general chairman, announced that there will be fun, and attraction for all ages. Colorful booths and a variety of games will be offered with a special concession for the children. All sorts of games, fishponds, darts, baseball throw, etc., will be presented in a separate hall behind the church.

George Calegari, who is designing the interior of the auditorium, presented his plans for re-creating the "Top O' the Hill" of years ago. Replicas of many old-time landmarks will be constructed and to add to the atmosphere, all booth workers will be in costume. The costumes are to be in the spirit and style of 100 years back and the committees' imaginations are already busy with plans so the place will be full of senoritas, dons, 49ers, sturdy pioneer ladies and perhaps a can-can girl or two, Goulden said.

None will go hungry at the Festival as, in addition to a hot-dog and coke stand, a complete dinner will be served on Sunday, Goulden added.

Goulden announced the following chairmen: Honorary chairman, Father Norman Allen; hams and bacon booth, Dave Johnstone and Lorraine Mignault; sport booth, Bill Konevich; children's booth, Wililam Whalen and Dorothy Petersen; games, Nate Pearlman; parakeet booth, Ralph Hall and Audrey Sallade; panda booth, Jack Colthurst and the Marian club; sugar and coffee, Bill Brower and Barbara Senkir; plaster top booth, Ivan Reese and Betty Maschinot; doll booth, Louis and Mary Thiebaut; record booth, Dorothy Coleman and Helen Fredericks; hot dog and cokes, Lou Sterelli and Mary Calegari; Sunday dinner, Kevin Carroll and Louise Lofrano; penny booth, Charles Maschinot and Betty Traynor; publicity, Earl Hethcoat and Isabelle Liberti.

Walter Gillis, Charles Guigino and Mrs. Stella Pusatera will have charge of other booths as yet undecided. In addition to the above workers, over 100 parishioners will be assisting them.

To heighten interest in the Festival, a poster contest is being promoted among the school children with the best entries to be awarded prizes. Mrs. Virginia Hethcoat is chairman for this event.

Grand prizes for the three-day affair will be the awarding of trips to Hawaiian Islands, Las Vegas or Reno. Cash equivalent of these trips will be given if preferred.

Saturday's dinner-meeting was the first of a series of planning meetings which will be held in the school auditorium every Monday night, with the next meeting slated August 13. The proceeds of the affair will go to the parish building fund for the benefit of the school and the children. Admission will be free and the public is extended a cordial invitation to attend.

William Valentino Takes Tennessee Bride Today

William E. Valentino of Daly City will take Miss Shirley Jean Loveday of Knoxville, Tennessee, as his bride in rites to be performed in Louisiana today (Friday).

The benedict, who is an airman first class with the 68th bomber squadron, 44th bomber wing, is stationed at Lake Charles Air Force base. He is the son of Mr. and Mrs. S. Valentino of 327 Westlake avenue and a graduate of Jefferson Union High school.

Ceremony will be performed at the Lake Charles home of the bride's sister, who will also serve as the new Mrs. Valentino's attendant.

Among the male attendants will be Mike Katz and Fray Zamora.

The young couple will reside near the air force base until February 11 when Valentino will receive his discharge. He plans to reinlist in California.

COURT ST. MARY WILL RESUME REGULAR MEETS

Court St. Mary, Catholic Daughters of America, will resume its regular meeting schedule Thursday evening at 8 p.m. at 17 Hillcrest drive, following the annual summer recess.

Mrs. Maurice Clark, grand regent, has scheduled program planning for the new term as the main items on the business agenda. Mrs. Clark will appoint chairmen and outline various projects in which the court will participate.

Plans for the court's 26th birthday dinner party which will be held in September will also be discussed. Miss Catherine Michelsen was appointed chairman of the birthday party committee at the last regular meeting of the court prior to the summer recess.

Calico Clickers Plan Dance Saturday Night

Calico Clickers will hold their monthly dance on Saturday at Castle hall, 7343 Mission street. A lively program of folk dancing and squares has been planned, according to Stanley Cloke, publicity chairman.

The event will start at 8:30 p.m. Refreshments will be served.

Columbus Day Event To Be Open To Public

Dan Casentini of Daly City, president of the Italian-American Federation of San Mateo county announced today that residents of the county will again be able to witness and enjoy the Columbus Day celebration and queen coronation. This is an annual event sponsored by the federation, an organization representing the majority of Italo-Americans of San Mateo county.

The affair will be held at the Peninsula Social Club Auditorium in San Mateo.

Young ladies from various communities of the Peninsula have been entered in the race to vie as Queen Isabella in the three-day celebration.

Exciting days are in store for the winner and all contestants in the race. There will be an Italian night of gay music and entertainment on October 12. An impressive coronation of the queen and a grand ball will be held on October 13. Then on October 14, 700 persons will attend a banquet honoring Queen Isabella and her court.

Preceeding the banquet, the U. S. 12th Naval District band will perform in an hour-long concert in front of the auditorium.

President Casentini invites all to attend the various events of this gay celebration—from which all proceeds go to the charitable and scholarship fund of the federation.

PAIR ESCAPE INJURY WHEN THROWN FROM MOTOR SCOOTER HERE

Two local youths escaped with only minor injuries Friday when they were thrown from a motor scooter at Chester street and Lausanne drive.

Officers said the accident was the result of a chain breaking on the vehicle.

Driver David Vallerga, 14, 448 E street, Colma, was thrown over the handlebars. His passenger, Lawrence Mercier, 15, 483 E street, Colma, landed about three feet from the scooter.

Vallerga was cited for driving without an operator's license.

Wyoming was organized as a territory in 1868 and admitted to the Union by Act of Congress July 10, 1890.

Rotarian Visits Oregon

Herb Sharpe of Daly City Rotary club attended a meeting of the Eugene, Ore., Rotary meeting recently while on a business trip to the northwest.

There were 185 members present and visitors from all parts of the United States, Sharpe said.

Former Don Ace Herrerias Heads Cage Clinic Here

Rene Herrerias, former guard on the national basketball championship team, the USF Dons, will headline the cage clinic to be conducted Wednesday, August 15, from 10:30 a.m. to 12 noon at Garden Village playground.

Presently assistant basketball coach at USF, head coach at St. Ignatius high school, and playground director of the summer recreation program at Colma school, Herrerias will exhibit film highlights of this year's exciting national champions in action. He will also put on a demonstration of shooting, dribbling, passing and footwork employed in basketball. As a windup to his presentation, the cage star will put the boys through a few practice routines.

The clinic will be part of the summer program of recreation currently sponsored at Garden Village school by the Jefferson Elementary school district, James L. Snell PTA and local home owners' associations.

Michael Orlich, PTA recreation chairman, is program coordinator and Elman Rose, program director.

List Tourneys Slated For Garden Village Rec

Here are tournaments scheduled at Garden Village playground for the rest of the summer. "Championship timber or not, if you're interested in the events, sign up with any of the playground supervisors to insure your spot in the play," playground officials said.

Thursday, Aug. 9—10:30 a.m.—Tetherball; 1:30 p.m.—Checkers.
Tuesday, Aug. 14—10:30 a.m.—Football passing.

Thursday, Aug. 16—10:30 a.m.—Basketbal Free Throws; 1:30 p.m. Chess.

Monday, Aug. 20—10:30 a.m.—Ping Pong.

Tuesday, August 21—10:30 a.m.—Ping Pong.

The activities are part of the program of recreation put up at Garden Village school ground by the Jefferson Elementary school district, James L. Snell PTA and local home owners.

The summer program will terminate August 23.

FOOTBALL POPULAR AT WESTLAKE SCHOOL

By Jane Kennedy

Football has been the popular game this past week at Westlake school. Gary Lieberman's team has shown great skill in getting those touchdowns. Some of the outsanding players are Don Colangeles, Ken Solari and Bob Green.

Over on the softball field Dan Alberti is seen as he hits the ball over to left field for another home run. Other outstanding players are Ken Schultz and Steve Lamanet.

On August 15 all boys and girls are invited to the roller skating party at Skateland. Children living in the Westlake school area meet at the playground at 9:30 o'clock in the morning. Obtain parent permission slips and further details from recreation director.

On August 20 through August 24 the boys and girls art work will be on display. Parents and children are invited to the open house to be held at Westlake School.

All boys and girls are invited to join the fun at Westlake School playground.

Pigskin Tactics Told At GV Grid Clinic

The finer points of pigskin play were discussed and illustrated by Bob St. Clair, 49ers tackle, at the recent grid clinic sponsored by the Garden Village playground.

Via a chalk talk and demonstration, St. Clair gave his audience of 60 area youngsters a professional 's view of what constitutes basic football play. The popular Bay Area gridder also handed out tips on how to watch a football game. On the practical side, St. Clair put a few of the boys through practice paces—running downfield for passes, defending against passes, blocking, punting, passing and so on.

The clinic was part of the summer recreation program being conducted at the playground by the Jefferson Elementary school district in cooperation with James L. Snell PTA and local home owners' associations.

Last Summer Meet For Pack 259 Set Friday

A double feature movie hour, with fish and sea shells in the spotlight, will be the evening's entertainment at the last summer informal meeting for Cub Pack 259. Curtain time will be at 8 p.m. on Friday at Garden Village school. Cubs will attend in uniform, as usual.

Two For Tonight

By Leonore Brewer

Did you know that at 687 McAllister street, just a block or so above Van Ness, is the Civic Center Art Gallery, owned and operated by Virginia Plese, who lives at 461 Knowles avenue, Daly City? You didn't? Well, neither did I until I met Virginia outside her home a month or so ago, unloading a painting from the back of her car.

Until that particular moment we had never met, and if it hadn't been for pure happenstanee we might never have, but thanks to that painting I have found a gallery that is a treasure trove of paintings, frames, water colors, etchings, prints—all at unbelievably reasonable prices.

After the painting had introduced us, Virginia graciously invited me into her home which is filled with paintings, old and contemporary, all mounted in beautiful frames, some of which she has made to suit a particular picture, others being antiques which she has restored. While I was admiring the antique frames, to which I am particularly partial, she said quite casually that she had been collecting for some ten years and had a gallery stocked with them. From then on, nothing could have stopped me from visiting her art gallery.

Browsers Welcome

The day I dropped by, there were a number of people there; some admiring the work by contemporary artists which Virginia exhibits, others browsing happily through stacks of prints or roaming around the gallery, rule in hand, searching for a frame. In the back room frames were being made to order, a badly abused painting was being restored and someone was quietly working on a bit of old porcelain. The prices quoted were extraordinarily low.

I thought I had seen it all, when Virginia asked had I been downstairs. No, I hadn't, but wasted no time. Downstairs are literally hundreds of frames: square frames and oval frames, shabby frames and magnificent frames, frames intended for calendar art and frames worthy of a Rubens.

Off in one corner, leaning dejectedly against the wall, is a beautiful antique mirror. Like many things of the past, it is not suitable for today's average home, it is cast in too heroic a mold.

Looking at it, we thought of a Daly City resident whose home is ideally suited for this elegant reminder of a more gracious day, someone capable of giving it the loving restoration it deserves. Do you read me, Marjorie Werby?

BRUCE HIX SQUAD SETS TEMPO IN SOFTBALL LOOP

The Bruce Hix squad, with two wins tucked under their belts, leads the softball league being played twice a wek at Garden Village playground.

Dogging the Hix boys with a 1-won, 1-lost rating is Joe Rossio's group, followed by Jean Lutfringer's and Bill Caster's squads, who share the cellar with no wins, two losses apiece.

Last week found a series of exciting full court basketball games played at the school court. Outstanding players were Steve Upthank, Jean Luttringer, Irv Ekowitz, Dick and Bob South, Ron Rose and Ron Krawetz.

This week, the curtain drops on the softball league, with kickball, basketball and tetherball tournaments scheduled as special athletic events.

To Lubricate a Lock

IF A LOCK becomes stiff and hard to operate, a temporary cure is available in any home in the form of a soft lead pencil. Simply rub the key until it is heavily coated with the graphite, and then turn it in the lock a few times. This treatment should make the lock work like new. Of course, you can use powdered graphite, which is available in most hardware stores. This lubricant is blown into the lock through the keyhole by squeezing the tube. The illustration appeared in *The Home Craftsman*.

SHOPPING BLOCK

By Jane Keith

Things are "jumping" on top of the Hill now—what with the old Bruce Griffin dime store undergoing complete renovation for the eventual revelation of another Meat Market—and the SPOTLITE MARKET getting all set for a pre-packaged meat department that will really "knock your eyes out" for quality and "price."

And speaking of the SPOTLITE MARKET—we hear, not from owner George Glass (that would be like hearing a father say his child was wonderful), but from the men who have installed the refrigeration—done the building—planned the color scheme—that the SPOTLITE MARKET will be one of the most beautiful markets in the whole country! And, from our pre-opening day visits there, we agree with these experts one hundred per cent!

A word about "watching windows" comes from DALY CITY PET SHOP owner, Pen. Seems that for ten days she had a sign in the window saying: "FREE cage and bird for you inside"—and there were no takers save one—a boy who had deposited one dollar on a cage the previous week. He, literally, got the bird and cage for FREE, too!

Latest thing for Problem Nails is called "GELATIN PLUS"—a, we quote, "a pure high protein sugarless gelatin activated by amino acids with fortified, assimilable calcium." Comes in $2 and $5 size plastic cases and in the form of attractive pink capsules to be taken one after each meal. Since calcium is what keeps your nails strong, this seems to have something for ardent nail polish users and if you are interested, see "GELATIN PLUS" at the DALY CITY DRUG CO.! An S&H Green Stamp store.

Best answer we've seen to the question "What's cooking?" are the Long 'N Lovely sets of four measuring spoons (plus a clever wall rack to hold them) in the DALY CITY HARDWARE. All little longer than a teaspoon, these gleaming copper plated aluminum spoons have gay colored handles guaranteed never to chip, peel, or stain and we're betting once you see them—out will go every other spoon measure in your house. Cost is just $1 at the Daly City Hardware and you get Thrifty Shopper Stamps, too!

Sam Porte, owner of PORTE'S DEPARTMENT STORE at 6340 Missio nstreet, tried his best to stir Top of the Hill interest in a repeat of last year's phenomenally successful Dollar Days—but received mostly "no go" answers. However, Porte's Department Store continues its policy of offering really tremendous bargains in men's, women's and children's clothing. This week, be sure to see the size 1-3 jackets for boys and girls: In gabardine, fully lined and with shirred elastic sides—just $3.59—in sanforized poplin, also fully lined—zip fronted—elastic waist and two clever pockets for just $2.88. And Porte's is a Charge Key and Thrifty Shopper Stamp store for your shopping convenience.

Tom Ferrigno, owner of the IDEAL POULTRY CO. at 5619 Mission street, does a repeat this week on his special price of just 49c a pound for FRESH KILLED HEN TURKEYS plus...a Freezer Special (on purchase of 12 or more) of 42c a pound for colored Fryers. Yes, Ideal Poultry does deliver and the number to call is JUniper 7-3453. (And you don't have to worry about freshness or cleanliness, either, when you order from Ideal Poultry. It is really a "top notch" place for poultry!)

For more than a TV look at the new Lincoln or Mercury—why not visit LAKE MERCED MOTORS at 4050 19th Avenue? Just two blocks off Junipero Serra on 19th—and you'll never regret the trip!

At SHANNON HARDWARE, be sure to see the beautifully styled, all metal bread boxes in pink, copper, turquoise, yellow or white—and the Cannister sets to match! Bread boxes are $3.75, Cannister sets $2.95 and you get Thrifty Shopper Stamps here, too!

Now for the news of the new Westlake stores:

SEARS Westlake store will be doing something they've never done in the firm's history—and believe me, I'll be right in line to take them up on this FIRST TIME offer of a FREE CATALOGUE! Get yours today! You'll not only enjoy looking through the thousands of items listed and shown in color plates, but you'll be able to SAVE a great deal of money, yes M-O-N-E-Y, by ordering the SEARS CATALOGUE way! This is strictly a "First Come, First Served"—so hurry!

At PENNEY'S, you'll find the latest in Fall Sweaters—all FULL FASHIONED—in either Orlon or Lamb's wool blends that are kitten soft, subtly colored and ready to coordinate with the equally lovely collection of PENNEY'S skirts. Best time for selection is now with either cash or the PENNEY'S "Lay Away" that adds no extra charge to your clothing bill!

The children's department of the W. T. GRANT CO. in Westlake is getting quite a play from mothers in this area and the reason for it is W. T. GRANT'S "right priced" and adorable collection of Sno-Suits and Pram-Suits in a wide range of fabrics such as nylon, poplin and wool. And you can say "Charge It" at W. T. GRANT (no carrying charge until after thirty days).

RICHARD STOOKEY DECLARED WINNER OF DAVIS SCHOLARSHIP

Richard P. Stookey of Broadmoor has been awarded an alumni scholarship for study on the University of California campus at Davis.

Stookey, son of Mr. and Mrs. Dale J. Stookey of 1211 Nimitz drive, is a graduate of Jefferson Union High school. He plans to enter as a freshman majoring in pre-veterinary medicine in the College of Agriculture at Davis this fall.

Alumni scholarships for entering students are provided from the university's general funds and monies contributed by alumni. They are a part of nearly 100 separate scholarships, totaling approximately $30,000, granted to students in the College of Agriculture, the College of Letters and Science, and the School of Veterinary Medicine on the Davis compus.

Bus Driver Cited In Top Of Hill Collision

A San Francisco Municipal Railway bus driver was cited Friday in an accident with an automobile at Mission street and San Jose avenue. Police said directional signals on the bus were not functioning.

Officers reported the accident occurred while both vehicles were rounding the corner onto San Jose avenue, and the bus sideseraped the auto.

Driver of the car was Dorothy Pearl Dyer, 43, of San Leandro, and bus driver was Daniel M. Penaflor, 24, of San Francisco.

TELEPHONE OPERATOR BEATEN BY UNKNOWN ASSAILANT HERE

A local telephone operator, returning home at 1 a.m. Wednesday morning, was beaten and hurled to the pavement by an unknown assailant.

Police listed the victim as Helen Larson of 98 Alp street.

Miss Larson told officers she was walking on Hillside boulevard south of Brunswick street when a man suddenly grabbed her from behind and struck her on the head. The victim said her assailant tried to take her purse, and she fell to the pavement in the scuffle that ensued.

The man fled the scene when he spotted an oncoming vehicle.

New Pisa Rapped By Portola; Travel To Petaluma Sunday

Two hit pitching by Johnny Rapp, Portola Juniors ace pitcher, knocked Dante's New Pisa Juniors out of the recreation league playoffs Saturday, 8-2. Terry Christman was touched for the loss, but the Pisa Kids left their hitting clothes at home.

Six runs behind in the sixth, New Pisa combined a couple of walks, a two bagger by Richy Morales and a fielders choice for their two runs. The only other hit was Duke Jones lead off double down the left field line. Flawless fielding prevented other hard blows landing safely and only three balls were caught in the outfield by Portola.

Red Adams, former trainer of the Oakland Acorns, brought his Petaluma Optimist Juniors to Marchbanks on Sunday, and Mike Wall held them to one hit, which incidentally did not figure in the scoring, while his mates had a field day and scored 25 runs.

Every man on the Lowell Creighton outfit hit safely, and Bill Hynes got four for five and scored four times. Mike Lanthier had three for five, Morales three for six, Mike Rovai and Barry Krohn two for four, and Frank McHugh two for three, one a home run. Wall got two for five, one of them a double.

The Dante New Pisa Juniors will travel to Petaluma next Sunday to meet the Petaluma Optimists on their home grounds. Adams is now at Marin Junior College, training their teams, and devoting his spare hours to the small fry.

Eddie Carrigan, sandlot sports writer, handled the public address system at Marchbanks Sunday.

Peter Pollat Paces Paddle Pool, Table Tennis At Westlake

By Harry Aronson

Two ladder tournaments are now in full swing at Westlake park playground, and action is fast and furious—particularly in the table tennis tournament. Peter Pollat continues to hold the number one position on the ladder with Ray Spine in the number two spot. Pollat was challenged by Spina and 21-4 and 21-7. James Albrecht remains in the number three position after losing to Ray Spina 21-15 and 21-9. The remainder of the ladder positions are as follows: 4th Paul Lindberg, 5th Lee Lester, 6th John Garadis, 7th Jim Garadis, 8th Frank Vorsatz, 9th Dave Gehre, 10th George Ellis and 11th Mike Lamanet.

The paddle pool tournament positions change daily. However, as of this writing Peter Pollat is also in the top of the ladder. The other positions read as follows: 2nd James Albrecht, 3rd Dave Gehre, 4th Chris Trapani, 5th George Ellis, 6th Lee Lester, 7th Dennis Cassidy, 8th Ed Koplowitz, 9th Jim Sarra, and 10th Lindberg.

The recent installation of tetherball and volleyball apparatus will afford additional recreation activities. Another popular piece of equipment has also been placed in service. The apparatus includes turning bars, chinning bars, hand over hand ladder and rings.

Tourneys Underway In DC Parks, Playgrounds

COMMUNITY CENTER
By William Mendosa and Mary Comstock

This past week two tournaments have been underway. For the 4-6 graders we have had a paddle pool tournament which will be concluded tomorrow. Bob Molossi decisioned Bev Kerney in the semi-final bracket to reach the finals. In the other bracket Gary Beecher will play Ependidio for the right to play Bob Molossi for the championship.

This week, in the afternoons, we have been having a badminton tournament for those of high school age. This was won by Don Miller with (12-0) record; 2nd Doug King (10-2); 3rd tie to be played off between Roger Stahl and Ron Kalinin.

On Monday we started our doubles tournament. At the end of this summer we will have the Daly City championships to be held in the center. Additional information will be announced later.

LINCOLN PLAYGROUND
By Mike Sibitz

The recently held girl's cake make was won by Pat Weeden, who took top honors with her marble coconut cake. Pat received an apron for her entry. Runners up were Adele Sanders, Diane and Carole Ciolino, and Carolyn Marchion. Acting as judges were Mary Bellenger, Chef Gary Ciolino, and Miss Sidney Ann Warren.

On Thursday, August 16, a doll show will be held at 2 p.m. Dolls will be judged for their beauty and originality. Any girl under 13 is eligible to participate in this event.

ARTS AND CRAFTS
By Jim Hough, Roberta Taylor and Dot Chase

Many favorite activities have been continued; pyrocraft, painting, and paper sculpture are most popular. Harold Iodence made a pink and silver belt with a bracelet to match. Some of the painters were Dennis Cunningham, Beverly Carney, and Bob Molossi. Dennis did a very fine job on his picture of a space ship. Beverly learned about highlights and shading. Bobby learned a little about perspective.

During the past week, jewelry making was begun. The children created necklaces, bracelets, lacing, earrings, and pins. Among those making jewelry were Ward Angilley, Judy Castle, and Sandy and Terry Piccardo. Wardell made heart shaped earrings; Judy made a necklace pin, and earrings using a leaf design. Sandy's necklace consisted of abstract forms, while Terry made a very unusual necklace.

ARCHERY
By Helen Paris

During the past week, the main point of interest in the recreation archery classes, has been games of eliminations. Each person has the opportunity to shoot a certain amount of arrows within a specified area on the target.

If this is not done, the person is eliminated from the game. This procedure continued until one person remained, thereby winning the game. Among those winners are: Lucky Cirst, Ray Marchall, Daniel Luciano, Ron Petrocchi, and Dave Gehre. Next week, playoffs will begin for tournament entrees.

MOVIES
By Rich Watso

Bugs Bunny was again the star of the most recent week of cartoons and Warner Bros. shorts program. For the coming week, "Buffalo Bill" will be our main feature.

MARCHBANKS PARK
By Leslie Linhares

Four-square is again coming into the spotlight as favorite game at the playground. The basic fundamentals of the game have been retained, but there has been so many variations added it is almost impossible to recognize the original. Most popular variations are slamming and reverse rally. It seems the trend now to get teams and gain control of the square A & B. In these positions all opponents are quickly vanquished. Ricky Craig and Mike Drew, Bill Nichols and Dennis Nelson and Mary Bellinger and Pat Kennedy are a few of the mighty champions of Four-Square.

Another old favorite, ping-pong, is making a comeback. With the adi of an undersized, out of shape and battered play board, two different sized saw horses and numerous pieces of wood for balance—the kids are practicing their serves, back and forehand hits. We figure if you can play ping-pong, under these conditions, you can be an expert on a regulation table. It really takes some maneuvering to judge a ball on our improvised table. It certainly provides a lot of laughs. Bob Berry promises he will be king of ping-pong; but Mike Kennedy, Connie Blair, Joan Malloy and Dave Iwahashi have different views on the subject.

EDGEWOOD PARK
By Bobbie Carrol

Two visiting art critics donated much of their valuable time for the Edgewood art show. Coming from their studio in Garwood—Robert Davies and Brian Murray showed a vast amount of knowledge by cataloging and judging the many entrees.

Little Corrine Pope, age 3, displayed a great artistic talent in her free form linary and color design. Six year old Kristine Liberate was more conventional in her 8" x 14" masterpiece. Use of an interested textured pattern with bold colors won the eight year division for Carold White. Steve Sears, Diane Caruso and Janet Pope tied for first prize in the nine year classification.

COLMA LIONS GAIN ON BRISBANE IN TEEN-AGE CAGE

Daly City Golds downed the Lincoln club 57-44 as J. Schupert and Ernie Howern score 15 apiece, in Daly City Teen-age Basketball last week.

The Golds played a control ball game to down the Lakers. With G. Johnson and Schupert hitting well in the first half the Golds took a lead of 27-22.

As the second half got under way big Larry Pottenger began to hit from all angles to bring the Lakers back into the ball game with eight straight points. Then just as the Lakers pulled abreast Ernie Howern of the Golds drilled six straight baskets to pull into the lead to stay.

The high scorer for the losers was Pottenger with 16.

Colma Lions continued their drive for first place last week by dropping the hapless Rockets 40-25. The Lions had trouble hitting the basket so they tightened their defense and closed the gates on the Rockets, demonstrating they have one of the finest defenses in the present league. It was only after the Lions had inserted their reserves that the Daly City team could manage a sustained drive.

Tom Cloutier of the Rockets scored 9 points for the losers while the Lion captain Rog Locke and Gary Olenberg scored 10 apiece in the winning cause.

The Lions gained revenge at the expense of the Golds Thursday, reversing their only defeat by downing the Golds 39-27 in a very fine defensive basketball game. Showing real ability to contain any club they play the Lions are now a real threat to the league leading Brisbane club.

The game broke wide open in the second quarter as the captain of the Lions, Rog Locke scored 10 big points from the outside to put his team in front to stay. From this point Jim Olen took over the drivers seat for the Lions and continued to pump the ball through the hoop, as he added 12 more points to give him 16, high for the night.

For the Losers it was Gordon Johnson who again lead the team and Ernie Howern who has begun to find the range as both men scored 10.

Brisbane, the high riding league leaders, again dropped the Lakers 51-44, Thursday. The Brisbane five played well, as they completely took the play away from the taller Lakers, with their fine fast break. The winners started fast and built up a 15-point lead at the end of the first quarter.

In the third quarter the Lakers began to get their attack rolling as center Pottenger hit nine quick points to bring the lakers within six points. With the pressure on the Brisbane club shifted into high gear as John Galten and Gary Rumrail shot from all angles without a miss.

High man in the score column was Ray Schuts for the Lakers with 14. Gary Rumrail had 13 for the winning Brisbane Club.

Rick Warne rattled out five hits in six trips to pace Ralph's Cleaners to their first Daly City Softball league championship Friday with a 17-14 victory over Daly City Drugs.

Ralph's put on a display of slugging that saw them amass 20 safeties and bring the team batting average up to a remarkable .500.

The losers could manage only seven hits, but made them count for a 14-run output.

F. Ciremele collected two hits in four trips, including a homer, to lead the losers.

Friday's contest marked the first time that the league championship had been decided in the playoffs. Ralph's, winners of the regular season crown with a 9-1 record, set the stage for the championship by first downing Shannon Hardware in the semi-finals, 15-14, the previous night.

Ralph's was out-hit, 12-10, by the young Shannon club, but with men on the bags, the cleaners outfit came through with the hits.

Warne again wielded the big stick and got his first home run of the season.

J. Wilson led the losers with three singles and a double in four trips.

Daly City Drugs gained the playoffs last Wednesday with an 18-7 rout over Broadmoor Police. A grand slam homer in the opening frame by F. Fazzio put Daly City well on their way, and Joe Lufrano piled it on with a second homer in that frame with one man on.

Ross Hilton whacked a double to drive across two runs for the losers.

DC Braves Bow To Petaluma Optimists

Daly City Braves bowed before the batting power of Petaluma Optimists Sunday, as they were downed, 11-8.

Phil Petroski, seeing mound duty for the local club for the first time, gave up 11 hits and nine walks. Spotting fielding didn't help his cause any.

Leading hitter for the Braves was Ron Townsend with three singles, while Petroski and Gordie Tydingo picked up a pair of safeties each. Kelly Olivera, Mike Wills and Jerry Starr each singled for the losers.

Cited for their field work were J. B. Berry, short stop, Mike Kennedy, catcher, and Jerry Teshires, left field.

JEFF HI SUMMER SCHOOL ENDS FOR 178 PUPILS FRIDAY

A total of 178 students will complete summer session at Jefferson Union High school Friday, according to Principal Glenn South.

Of the total 178 pupils, nine are graduating seniors. They are Muriel Dorothy Bragg, Anthony M. Cruz, Wanda La Verne Hunsberger, Robert Wilfred Madruga, Barbara Therese Murphy, Norman Parke, Harry Honeywell Price, James Eugene Rising and Shirley Fontes Young.

Although the board of trustees recently approved graduation ceremonies for the nine students, the graduates themselves voted against any special event, South said today.

Youngster Steals Show In Lions Annual Fishing

Thornton Beach Site For Rec Operations

Thornton beach will be invaded by area youngsters Friday this week when Garden Village summer recreation program officials move their operations to the ocean front for the day.

Departure details, as announced by Elman Rose, program director, specify assembly of cars and passengers at 11:30 a.m., Friday at the lower parking level of Garden Village school.

The excursionists will lunch at the beach with open fires available for those who wish to roast wieners. Lunch will be followed by free play and supervised games, after which the group will return to their home site.

Other data announced by the director decree that no swimming will be allowed, and wading will be permitted only in water up to knee height.

Douglas Thomas of 243 Winchester street stole the show Wednesday at the Daly City-Colma Lions club annual fishing day at Lake Merced.

Young Thomas captured two of the three fishing prizes awarded by the Lions, as he snared the most trout, five, and landed the biggest fish, 12 inches.

For catching the most trout he received a new fishing rod, while his foot-long fish won him two silver dollars.

Thomas used a spinning outfit and salmon eggs to make the big haul.

Recipient of the day's third prize for the smallest fish was claimed by John Torres of 60 Goethe, who brought in a four-incher and claimed the silver dollar award.

A record turnout of 189 youngsters took part in the annual angling, topping last year's best of 160.

The children were provided with ice cream and milk, courtesy of Golden State, sandwiches from the Colonial, and bait from Daly City Hardware.

Chairman of the event was Hal Willis.

THIS WEEK'S ANSWER: INDIANS ARE NOT REDSKINS
Redskin is a misnomer. The skin of the typical adult Indian is brown rather than red, varying from light to very dark. 1—Geo. W. Stimpson, Uncommon Knowledge. 2—New International Cyclopedia, Volume 12, Page 475.
